Editing Policy / Information Disclosure System

Editorial Policy for the Integrated Report

Since FY March 2014, NRI has published integrated reports that provide explanations while communicating important financial and non-financial information. These reports aim to give an overall picture of NRI in a concise and clear manner.

The Integrated Report 2025 introduces the medium- to long-term growth story and materiality found in the NRI Group Vision 2030 long-term management vision and our Medium-Term Management Plan 2023–2025.

For information on our disclosure system, see the figure below. As for details and other related information that cannot be included due to space, we have included the source of the relevant information (e.g., websites and the Annual Securities Report) below and in the list of links on page 5, as well as within the pages of this Integrated Report.

NRI works toward the medium- to long-term enhancement of its corporate value. We strive for even deeper communication with stakeholders to enable the determination of its value.
